Sydney Siders TONIGHT.....
Recreating the Village.
Our society seems to have had more changes in the past 50 years than in the previous 10,000..... but are they all for the best? Socially, spiritually, emotionally, financially, where have we really ended up right now?
People are disconnected, time poor, stressed, undernourished, and lost.....
It has been said that it takes a Village to raise a child. These days most families are unsupported, and either just parents or even a single parent are left to raise a child.
Let's explore 10 great reasons to recreate the 'Village'
1) Interconnection Trumps Isolation Any Day
2) Get more out of your Time and Energy
3) Returning to the Heart
4) Reconnecting with the land
5) The meaning of 'Family' changes

7) Wisdom is transferred from the Elders to the Youth through 'Folk Lore'
8) Resilience, Resilience, Resilience
9) Shared Resources, Knowledge, Models, Tools and Templates
10) Creating new Culture
All sounds wonderful right? But how do we achieve this from where we are currently?
Come and discuss these possibilities with Mark and AB, two people who are committed to establishing sustainable, harmonious, functional, productive and ethical Villages around this great land.
Their first project known as Bhula Bhula Village Community Trust at the foothills of Mt Warning (Wollumbin) in the lush volcanic soils of Northern NSW is well under way now.
A 650 acres farm that boasts 3.5 Klm's of river frontage, rich volcanic soils, beautiful forests and hundreds of acres of cleared land with stunning views of Mt Warning, The Border Ranges, and of course Sphinx Rock.
By pooling resources, its possible to have private use of your very own 3 acres on this incredible 650 acre property for as little as $120k. There are still around 15 places left at Bhula Bhula Village.
This is just the first project of this nature, and we are looking for more suitable properties around Australia.
Free Information and Discussion night this Wednesday at 6pm upstairs at the Quarrymans Hotel, 214 Harris Street, Pyrmont, Sydney.
RSVP if possible by lunchtime Wednesday to this email address.....

Love to see you there.....
Mark

Ian came out and spoke at one of our Summits in Australia years ago.
He has done his very best to wake people up about Fracking (and many other areas).
He is crook at the moment and so if you have the capacity to assist, I'm sure it would be greatly appreciated.
Kindly,... See more

We've been talking about this moment in time for well over a decade now.
Many of you have probably tried to introduce your friends to what's really going on with the 'system'.
Many of you have probably been labelled 'Tin foil hat wearers'.
Well....Here it is....and we just hope you're all as prepared as you can be.
History always favours the well prepared.... See more
